

“An Evening In Purradise”

*Cat Fanciers' Association
Southwest Region*

*2012-2013 Regional Awards
June 8th, 2013*

Renaissance Hotel - Palm Springs - California

As we come together once again to celebrate the achievements of our friends and our cats, we can look back with pride at what the Southwest Region has accomplished in the past show season. Despite the challenges we have all faced with fewer shows and declining counts, the SW Region has attained seven Breed Wins and thirteen (!) National Wins, including Cat of the Year.

As we move into 2014 and beyond, it will take the combined efforts of all of us to continue this success. I have no doubt that both the people and the cats in the Southwest Region will rise to the challenge. We must always remember that we are strongest when we work together towards our common goal of promoting this passion that we all share, and ensuring that it continues into the future for the next generation of fanciers.

Youth Feline Education Program

Sponsored by: Royal Canin

Congratulations to the Southwest Region youth participants on a successful show season. Their current successes are the foundation on which a very bright future will be built. The program as designed to let the young people of CFA determine their own path through various activities in hopes that they will find themselves in the hobby they love and in life in general. All our kids have accomplished a great deal this year from showing their feline companion to helping shelters to promoting CFA in the most positive light to the general public.

The positive attitudes these children have exhibited all year have given us some great moments and wonderful memories to be shared with family, friends, and the cat fancy in general. The contributions made by each of them will be felt for years to come, it gives the program great pleasure to recognize the Southwest Regions youth and to announce that some of the youth will also be recognized at the Annual for National Awards.

Please join the program in congratulating the future of CFA on their accomplishments.

Congratulations Sue! Holly is such a beautiful girl and deserved to be a National Winner. Based on some of those photos I saw of her relaxing, I think we should limit the number of lemon drops she has :) We will have an extra one on her! With Love From, Maggy Lombardi and Betty Davis

I love Foggy! Thanks for all of your help with showing this year! Maggy Lombardi

Sue thank you for all of your encouragement showing my girl this year! I know without your support I wouldn't have a Regional Win on her. Hugs, Maggy Lombardi
